2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

In accordance with its Service Plan, Morgan Hill Metropolitan District No. 2 (the “District”) was formed to provide for the planning, design, acquisition, construction, installation, redevelopment, maintenance and financing of the public improvements for a portion of the property known as “Morgan Hill,” which is located in Erie, Colorado. Such public improvements include, but are not limited to, streets, traffic and safety controls, water, storm and sanitary sewer, utilities and parks and recreation improvements.

The Service Plan, as amended in 2017, permits the District to impose a maximum mill levy on the taxable property within its boundaries as a primary source of revenue for the construction and maintenance of public improvements, repayment of debt and operational costs. The Service Plan also provides a combined total debt issuance limitation in an aggregate principal amount not to exceed \$35,000,000 for Morgan Hill Metropolitan District Nos. 1, 2 and 3.

The District has no employees and all operations and administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District’s Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer’s election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

For property tax collection year 2024, SB22-238 and SB23B-001 set the assessment rates and actual value reductions as follows:

Category	Rate	Category	Rate	Actual Value Reduction	Amount
Single-Family Residential	6.70%	Agricultural Land	26.40%	Single-Family Residential	\$55,000
Multi-Family Residential	6.70%	Renewable Energy Land	26.40%	Multi-Family Residential	\$55,000
Commercial	27.90%	Vacant Land	27.90%	Commercial	\$30,000
Industrial	27.90%	Personal Property	27.90%	Industrial	\$30,000
Lodging	27.90%	State Assessed	27.90%	Lodging	\$30,000
		Oil & Gas Production	87.50%

SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues – (continued)

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 4% of the property taxes collected.

Interest Income

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 4%.

Expenditures

Intergovernmental Transfers

The District is obligated to impose a mill levy which will be sufficient to promptly and fully pay amounts to Morgan Hill Metropolitan District No. 3 ("District No. 3). The District is required to remit property taxes derived from such mill levy, together with specific ownership taxes applicable to property within the District less County Treasurer Fees, to District No. 3. The District anticipates transferring funds to District No. 3, as shown in the General Fund budget for payments on Bonds.

Debt and Leases

The District has no debt or leases.

Reserves

Emergency Reserve

The District has provided for an emergency reserve fund equal to at least 3% of fiscal year spending as defined under TABOR.

This information is an integral part of the accompanying budget.
