## INDEPENDENT AUDITORS' REPORT

Board of Directors  
Morgan Hill Metropolitan District No. 2  
Town of Erie, Colorado

### **Report on the Audit of the Financial Statements**

#### ***Opinions***

We have audited the accompanying financial statements of the governmental activities and the major fund of Morgan Hill Metropolitan District No. 2, as of and for the year ended December 31, 2022, and the related notes to the financial statements, which collectively comprise Morgan Hill Metropolitan District No. 2's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the major fund of Morgan Hill Metropolitan District No. 2, as of December 31, 2022, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinions***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Morgan Hill Metropolitan District No. 2 and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Morgan Hill Metropolitan District No. 2's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Morgan Hill Metropolitan District No. 2's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Morgan Hill Metropolitan District No. 2's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

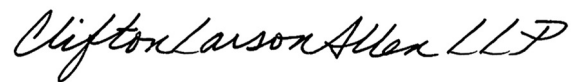

***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the budgetary comparison information be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements.

Board of Directors  
Morgan Hill Metropolitan District No. 2

We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Management omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinions on the basic financial statements are not affected by this missing information.

A handwritten signature in cursive script that reads "CliftonLarsonAllen LLP".

**MORGAN HILL METROPOLITAN DISTRICT NO. 2**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022**

**NOTE 1 DEFINITION OF REPORTING ENTITY**

Morgan Hill Metropolitan District No. 2 (District), a quasi-municipal corporation and political subdivision of the State of Colorado, was organized by order and decree of the District Court in Weld County on January 20, 2009, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District operates under a Consolidated Service Plan with Morgan Hill Metropolitan District No. 1 (District No. 1), Morgan Hill Metropolitan District No. 2 (District), and Morgan Hill Metropolitan District No. 3 (District No. 3) approved by the Town of Erie on August 25, 2008. Pursuant to the Service Plan, the District, the financing district, is intended to provide funding to District No. 1, the operating district, for construction, operation and maintenance of the public improvements. The operating district is responsible for day-to-day operations and administrative management of all three of the Districts and management of district improvements.

The District was established to provide financing for the design, acquisition, construction, and completion of public improvements, including streets, traffic and safety controls and devices, transportation services, park and recreation, water, mosquito and pest control and sanitation facilities, generally located in the collector roadway system, services and programs. The operation and maintenance of all other services and facilities is anticipated to be provided by other entities and not by the District.

The District has no employees and all administrative functions are contracted.

The District follows the Governmental Accounting Standards Board (GASB) accounting pronouncements which provide guidance for determining which governmental activities, organizations and functions should be included within the financial reporting entity. GASB pronouncements set forth the financial accountability of a governmental organization's elected governing body as the basic criterion for including a possible component governmental organization in a primary government's legal entity. Financial accountability includes, but is not limited to, appointment of a voting majority of the organization's governing body, ability to impose its will on the organization, a potential for the organization to provide specific financial benefits or burdens and fiscal dependency.

The District is not financially accountable for any other organization, nor is the District a component unit of any other primary governmental entity, including District No. 1, District No. 3 and the Town of Erie.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The more significant accounting policies of the District are described as follows:

**Government-Wide and Fund Financial Statements**

The government-wide financial statements include the statement of net position and the statement of activities. These financial statements include all of the activities of the District. Governmental activities are normally supported by taxes and intergovernmental revenues.

**MORGAN HILL METROPOLITAN DISTRICT NO. 2**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Government-Wide and Fund Financial Statements (Continued)**

The statement of net position reports all financial resources of the District. The difference between the assets, liabilities and deferred outflows and inflows of resources of the District is reported as net position.

The statement of activities demonstrates the degree to which the direct and indirect expenses of a given function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include charges to customers or applicants who purchase, use, or directly benefit from goods, services or privileges provided by a given function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues.

**Measurement Focus, Basis of Accounting, and Financial Statement Presentation**

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Increases in bonds payable are recorded as an increase in liabilities.

When both restricted and unrestricted resources are available for use, it is the District's policy to use restricted resources first, then unrestricted resources as they are needed.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. The major revenue source susceptible to accrual is property taxes. Expenditures generally are recorded when a liability is incurred as under accrual accounting. However, debt service expenditures are recorded only when payment is due.

The District reports the following major governmental fund:

The General Fund is the District's primary operating fund. It accounts for all financial resources of the general government.

**Budgets**

In accordance with the State Budget Law, the District's Board of Directors holds public hearings in the fall each year to approve the budget and appropriate the funds for the ensuing year. The appropriation is at the total fund expenditures level and lapses at year-end. The District's Board of Directors can modify the budget by line item within the total appropriation without notification. The appropriation can only be modified upon completion of notification and publication requirements. The budget includes each fund on its basis of accounting unless otherwise indicated.

**MORGAN HILL METROPOLITAN DISTRICT NO. 2**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or if in equal instalments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally, sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

Property taxes are recorded initially as deferred inflows of resources in the year they are levied and measurable. The property tax revenues are recorded as revenue in the year they are available or collected.

**Fund Balance and Net Position**

Net position is reported in the governmental activities and is classified as restricted or unrestricted. Restrictions of net position represent amounts that are not available for appropriation or are legally restricted. As of December 31, 2022, fund balances of governmental funds are classified as follows:

Nonspendable – amounts that cannot be spent either because they are not spendable in form or because they are legally or contractually required to be maintained intact. This includes amounts that are not expected to be converted to cash, for example, prepaid amounts.

Restricted – amounts that are subject to externally enforceable legal purpose restrictions imposed by creditors, grantors, contributors, or laws and regulations of other governments; or through constitutional provisions or enabling legislation.

Committed – amounts that are subject to a purpose constraint imposed by a formal action of the Board of Directors. The Board is the highest level of decision-making authority for the District. Commitments may be established, modified or rescinded only through resolutions approved by the Board.

Assigned – amounts that are subject to a purpose constraint that represents an intended use established by the District in its budget process. The purpose of the assignment must be narrower than the purpose of the General Fund.

Unassigned – represents the residual classification for the District's General Fund and could report a surplus or deficit.

**MORGAN HILL METROPOLITAN DISTRICT NO. 2**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Restricted Fund Balance**

Emergency Reserves have been provided for as required by Article X, Section 20 of the Constitution of the State of Colorado. In compliance with this requirement, \$1,090 of the General Fund balance has been restricted.

The District's order of fund balance spending policy is to apply expenditures against restricted fund balance, committed fund balance, assigned fund balance, and unassigned fund balance. The District reserves the right to selectively spend unassigned fund balance.

**NOTE 3 INVESTMENTS**

The District has not adopted a formal investment policy; however, it follows state statutes regarding investments. The District also follows investment policies in bond or note agreements when those agreements are more restrictive than state statutes. The District generally limits its concentration of investments to those noted with an asterisk (\*) below, which are believed to have minimal credit risk; minimal interest rate risk and no foreign currency risk. Additionally, the District is not subject to concentration risk disclosure requirements or subject to investment custodial credit risk for investments that are in the possession of another party. Colorado statutes specify investment instruments meeting defined rating and risk criteria in which local governments may invest which include:

- Obligations of the United States, certain U.S. government agency securities and World Bank securities
- General obligation and revenue bonds of U.S. local government entities
- Bankers' acceptances of certain banks
- Commercial paper
- Written repurchase agreements collateralized by certain authorized securities
- Certain money market funds
- Guaranteed investment contracts
- Local government investment pools\*
- Certain reverse repurchase agreements
- Certain corporate bonds
- Certain securities lending agreements

Colorado revised statutes limit investment maturities to five years or less depending on the specific investment held unless formally approved by the Board of Directors. Such actions are generally associated with a debt service reserve or sinking fund requirements. Revenue bonds of U.S. local government, corporate and bank securities and guaranteed investment contracts not purchased with bond proceeds are limited to maturities of three years or less.

**MORGAN HILL METROPOLITAN DISTRICT NO. 2  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022**

**NOTE 3 INVESTMENTS (CONTINUED)**

As of December 31, 2022, the District had the following investments:

<u>Investment</u>	<u>Maturity</u>	<u>Amortized Cost</u>
Colorado Surplus Asset Fund Trust *	Less than One Year	<u>\$ 36,251</u>

As of December 31, 2022, the District had invested \$36,251 in the Colorado Surplus Asset Fund Trust, an investment vehicle established for local government entities in Colorado to pool surplus funds. The State Securities Commissioner administers and enforces all state statutes governing the Trust. The Trust operates similarly to a money market fund and each share is equal in value to \$1.00. The Trust is rated AAmmf by Fitch Ratings and is valued at amortized cost. Based on the valuation method, additional disclosures are not required under GASB Statement No. 72.

**NOTE 4 RELATED PARTY**

All of the members of the Board of Directors are employees and are associated with Bellock Construction Company, the Construction Manager and accountants for the District. During 2022, District No. 1, District No. 3, and the District had the same Board of Directors.

**Construction Management Agreement**

A construction management agreement was entered into during 2009 between District No. 2 and Bellock Construction Company. The agreement calls for Bellock Construction Company to provide management services of all activities related to construction projects to be completed within Morgan Hill Metropolitan Districts No. 1, No. 2 and No. 3. The agreement expires on December 31 of each year, but is automatically extended for a successive annual period so long as sufficient funds have been appropriated, unless contrary action is taken.

**Accounting Services Agreement**

An accounting services contract was entered into with Bellock Construction Company on April 23, 2009. Under this agreement, accounting services are provided to District No. 1, No. 2, and No. 3 at the hourly annual rates of Bellock Construction Company employees. During 2022, the District incurred \$6,305 in accounting services fees.

**NOTE 5 DISTRICT FACILITIES CONSTRUCTION AND SERVICE AGREEMENT (SERVICE CONTRACT) AND OTHER AGREEMENTS**

In order to implement the Service Plan, the District entered into an intergovernmental agreement with District No. 1 and District No. 3. The agreement shall remain in full force and effect until such time as each of the terms and conditions has been performed in their entirety or until the agreement is terminated by mutual written agreement of the Districts.

**MORGAN HILL METROPOLITAN DISTRICT NO. 2**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022**

**NOTE 5 DISTRICT FACILITIES CONSTRUCTION AND SERVICE AGREEMENT (SERVICE CONTRACT) AND OTHER AGREEMENTS (CONTINUED)**

District No. 1 is to construct the facilities benefiting the three Districts and transfer them to the Town of Erie or HOA. The District, District No. 1, and District No. 3 will, to the extent that they benefit, pay the capital costs and the service costs of operation and maintenance of such facilities (authorized service costs).

The District is required to fund, on an annual basis, the amount of actual service costs that it would be capable of funding through property tax revenue plus other fee revenue as determined in the annual budget. If the Districts disagree as to the amount to be paid, then the District must pay District No. 1 the amount set forth in the annual budget. The Gallagher Amendment, first added to the Colorado Constitution in 1982, required a residential to non-residential property tax ratio of 45% to 55% and required the state legislature to adjust the residential assessment rate to maintain the required ratio. During fiscal year 2017, the Colorado legislature reduced the residential assessment ratio from 7.96% to 7.20% causing the property tax mill rate for general obligation bonds and service costs to increase from 50 mills to 55.275 mills. The residential assessment ratio decreased to 7.15% in 2019 causing the mills to increase to 55.663 for taxes to be collected in 2020. During fiscal year 2020, the Gallagher Amendment was repealed. While the residential assessment rate is set in statute at 7.15%, the Colorado legislature approved a temporary reduction to 6.765% for the 2023 and 2024 tax years.

During 2021, District No. 3 entered into a Capital Pledge Agreement with District No. 1 and District No. 2 (the Pledged Districts). The Agreement is related to the issuance of the Series 2021A Senior Bonds and the Series 2021B Subordinate Bonds in District No. 3. The Pledged Districts agree to levy on all of the taxable property of the Pledge Districts, in addition to all other taxes, direct annual taxes in each of the years 2021 (for collection in 2022) to 2050 (for collection in 2051) to the extent necessary to provide for payment of the annual bond costs, in the amount of the required mill levy determined by District No. 3. Under the Agreement, the District pledged 55.663 mills, a total of \$229,538, collected in 2022. The District pledged 57.220 mills, a total of \$399,479, for collection in 2023.

The District, District No. 1, and District No. 3 also entered into a Junior Lien Pledge Agreement related to the issuance of the Series 2021C Junior Lien Bond in District No. 3. Under the agreement, the District and District No. 1 pledge their Junior Lien Required Mill levy upon all taxable property within their boundaries. After withholding the O&M carve-out, the District pledges its share of bond repayment costs. The O&M carve-out was \$90,000 in 2022 and will be equal to \$90,900 in 2023, with the amount increasing by 1% annually thereafter.

**NOTE 6 RISK MANAGEMENT**

The District is exposed to various risks of loss related to torts, thefts of, damage to, or destruction of assets; errors or omissions; or acts of God.

**MORGAN HILL METROPOLITAN DISTRICT NO. 2**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022**

**NOTE 6 RISK MANAGEMENT (CONTINUED)**

The District is a member of the Colorado Special Districts Property and Liability Pool (Pool) as of December 31, 2022. The Pool is an organization created by intergovernmental agreement to provide property, liability, public official's liability, boiler and machinery and workers compensation coverage to its members. Settled claims have not exceeded insurance coverage in the past three years.

The District pays annual premiums to the Pool for liability and public official's liability. In the event aggregated losses incurred by the Pool exceed amounts recoverable from reinsurance contracts and funds accumulated by the Pool, the Pool may require additional contributions from the Pool members. Any excess funds which the Pool determines are not needed for purposes of the Pool, may be returned to the members pursuant to a distribution formula.

**NOTE 7 TAX, SPENDING, AND DEBT LIMITATIONS**

Article X, Section 20 of the Colorado Constitution, referred to as the Taxpayer's Bill of Rights (TABOR), contains tax, spending, revenue and debt limitations, which apply to the State of Colorado and all local governments.

Spending and revenue limits are determined based on the prior year's Fiscal Year Spending adjusted for allowable increases based upon inflation and local growth. Fiscal Year Spending is generally defined as expenditures plus reserve increases with certain exceptions. Revenue in excess of the Fiscal Year Spending limit must be refunded unless the voters approve retention of such revenue.

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of Fiscal Year Spending (excluding bonded debt service). Local governments are not allowed to use the emergency reserves to compensate for economic conditions, revenue shortfalls, or salary or benefit increases.

The District's management believes it is in compliance with the provisions of TABOR. However, TABOR is complex and subject to interpretation. Many of the provisions, including the interpretation of how to calculate Fiscal Year Spending limits will require judicial interpretation.

On November 4, 2008, a majority of the District's electors authorized the District to collect and spend or retain in a reserve all annual District revenue without regard to any limitations under TABOR.

**MORGAN HILL METROPOLITAN DISTRICT NO. 2**
